

ELAND BAG

PET CARRIER & TRAVEL GEAR | OEM / ODM MANUFACTURER

Pet Product Catalog 2026

85 reference styles across 7 categories, each one produced on our own floor in Jinhua, Zhejiang, China. Every item number in this catalog matches a page on elandbag.com, where the full gallery, buyer FAQ and quotation request for that style live.

This is a quotation-only catalog. Unit prices depend on fabric, hardware, logo process, packaging and quantity per style and color, so they are issued per project, never printed.

Published commercial terms

- Standard MOQ: 300 pcs per style per color
- Pilot run for start-up and first-time brands (existing style): 100 pcs per style per color, one color per run
- New structure (ODM): 300 pcs per style per color; below that, paid samples only
- Samples: 3-7 days for an existing style, 7-10 days for a new structure; fee USD 80-250 per sample, deducted in full once the first order reaches the MOQ of that style
- Bulk production: 15-30 days light customization, 20-45 days heavy customization, after written sample approval
- Payment: 30% deposit / 70% before shipment (50/50 for complex custom orders)
- Trade terms: EXW, FOB, CIF; DDP for the United States, Canada and the main EU markets

elandbag.com/products/small-dog-harness-kit-manufacturer-oem-mesh-harness.html

How to get a quotation

1. Send the item number(s) from this catalog, the quantity per style and per color, your target market and whether you need your own branding. A photo or link of a reference product helps if you want changes.
2. You receive a written quotation, usually within one business day, showing standard-quantity pricing and, for start-up brands, the pilot-run price side by side.
3. A sample is made in 3-7 days (existing style) or 7-10 days (new structure) once specification and sample fee are confirmed. The fee is deducted in full when the first order reaches the MOQ.
4. Bulk production runs 15-30 days for light customization or 20-45 days for heavy customization after written sample approval, with in-line and pre-shipment inspection and a photo/video report before dispatch.

Customization on every style: logo (embroidery, silk screen, heat transfer, woven label, metal or rubber logo, custom zipper pulls), Pantone color matching, size and structure, fabric and lining, hardware, retail or FBA packaging

Compliance documents (REACH SVHC, CA Prop 65, food-contact declarations, mill certificates, BSCI / ISO 9001 references) are listed item by item at elandbag.com/compliance-documents.html.

First-order and pilot-run policy: elandbag.com/pilot-orders.html.
